# BUS SERVICES

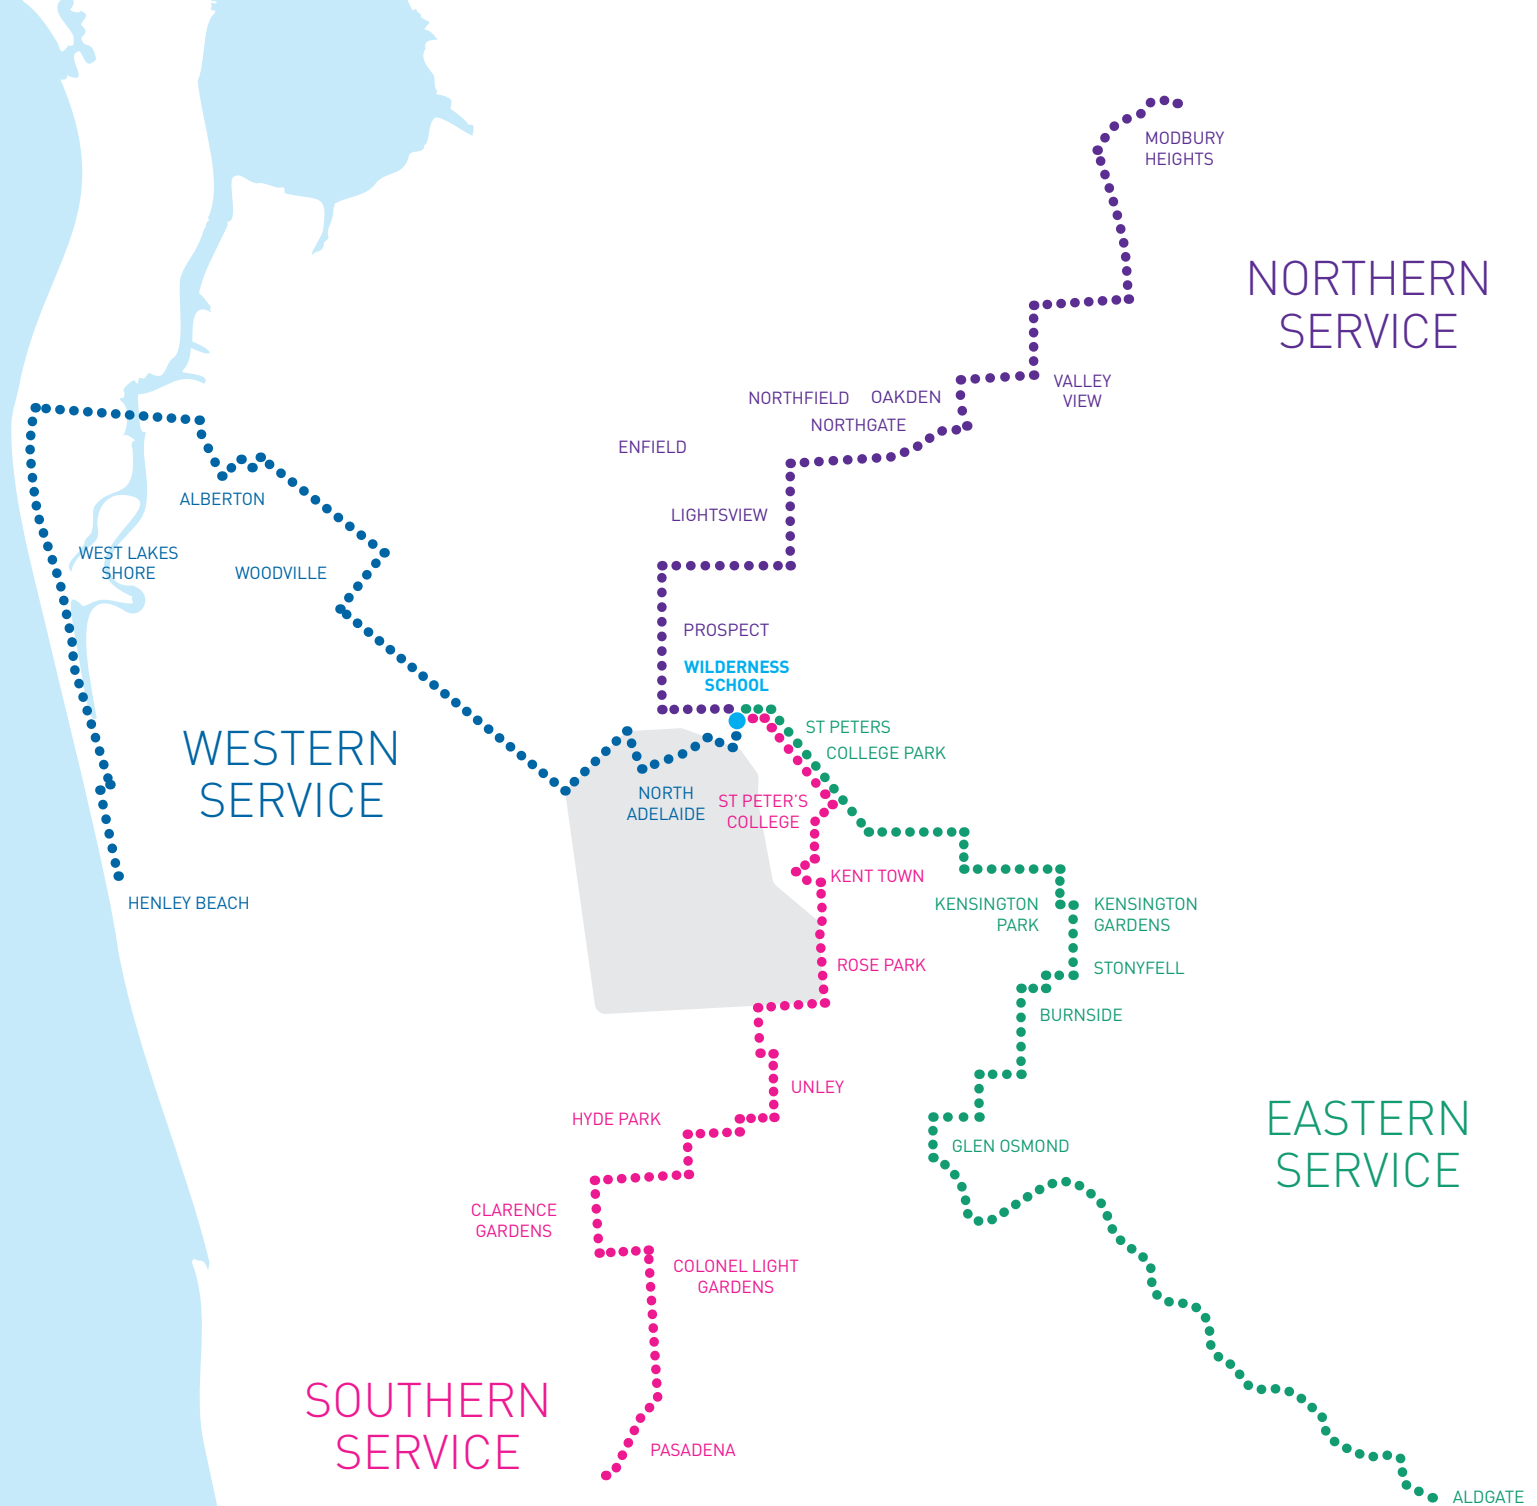

Wilderness provides four dedicated buses to pick up and drop off girls from designated bus stops in the Adelaide Hills, eastern, northern, southern and western suburbs.

The School Bus is available to all girls from Year 5 onwards and is serviced by Des' Minibuses whose drivers are fully-accredited. Each bus is air-conditioned and all have seat belts.

The Southern Bus service includes pick up from Prince Alfred College (Kent Town) and an express service from St Peter's College to Wilderness School.
